As the school year began, there seemed to be a lot of spirit in our midst. The new students fit in with the old and everyone had a feeling of being one. The Trojan football team had a great season which helped to pull Southern students together. We all began by playing the game with Southern Style!

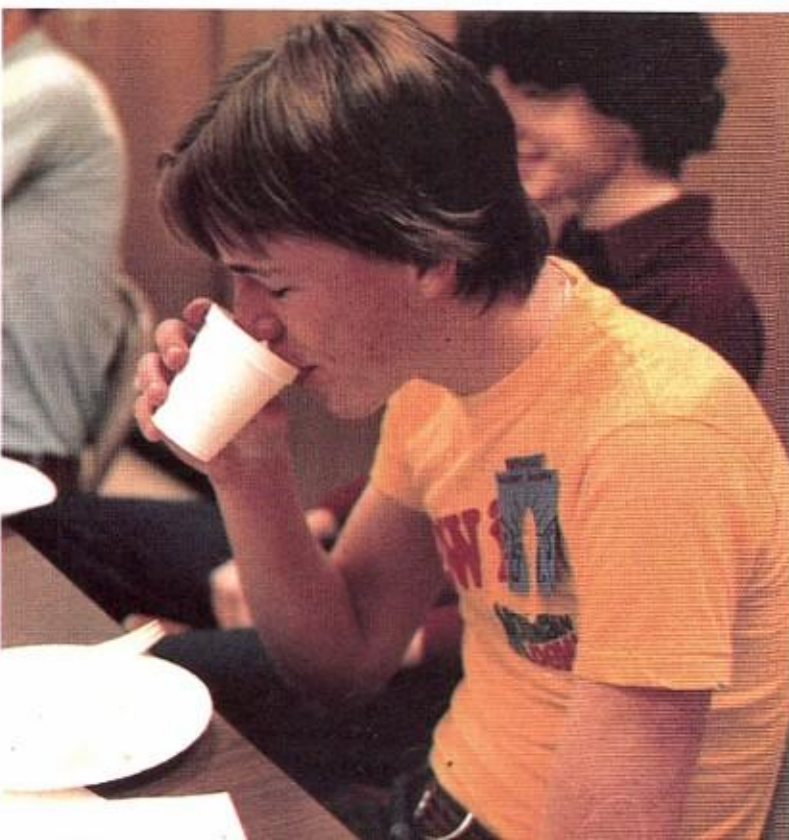

▲ Troy Riggs, a Southern student, listens closely to instructions given by his teacher.

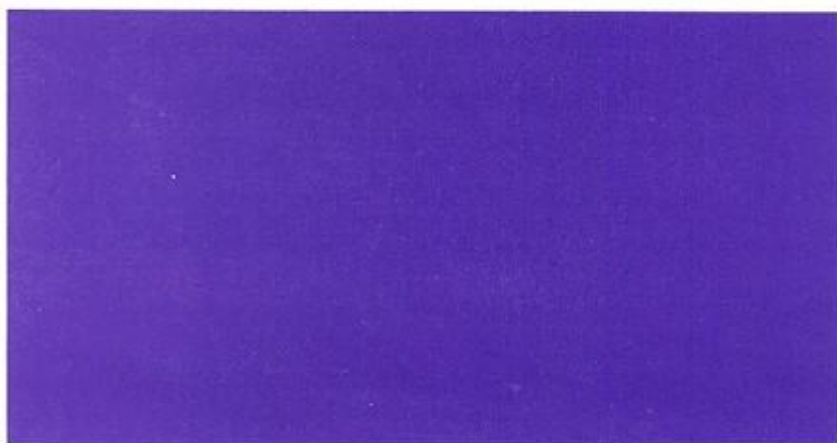

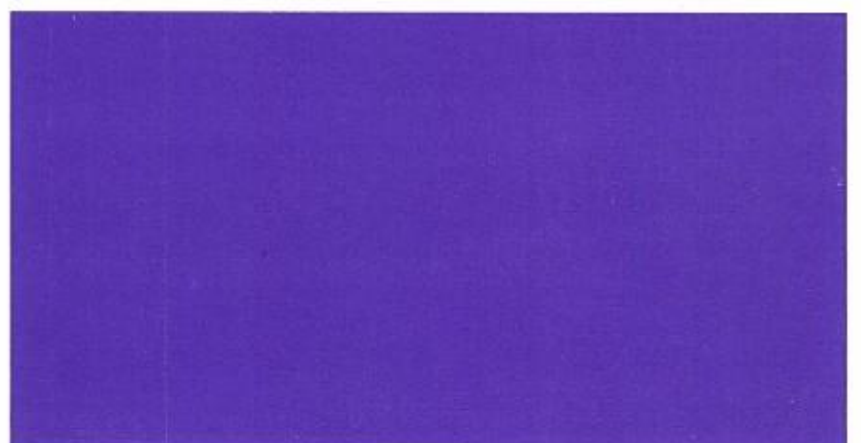

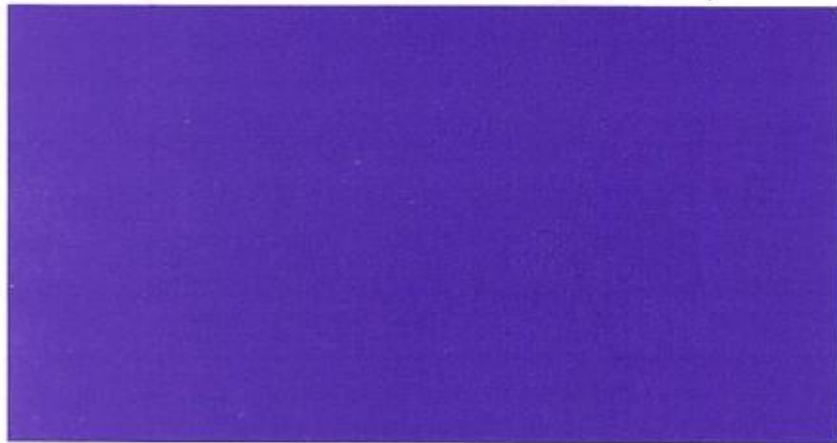

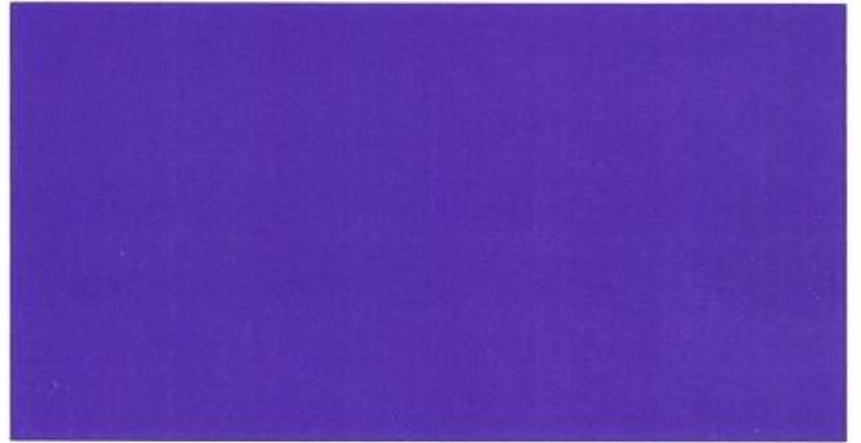

▲ Southern's band members play with Trojan spirit.

▲ Former Juniors refresh themselves at Ring Day ceremonies.

▲ Sam LaFollette drinks punch at a banquet held for new NHS members.

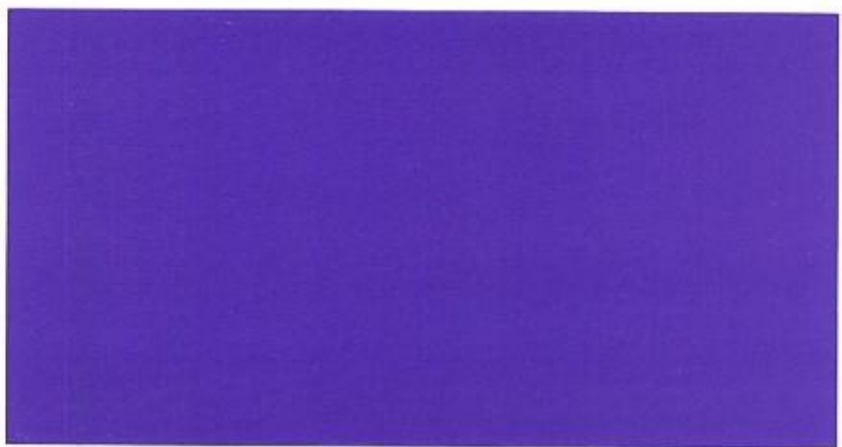

Southern, along with other schools in the Jefferson County School System, adopted new rules this year. The changes were hard to accept at first. Not only the students, but the teachers also had to adjust. Although it was hard, the changes made Southern an even better school than it had been.

We, as Trojans, played the game with Southern Style!

Picture 2: Mike Bickel, guard, watches intently while he is not in the game. Row 2: Southern's ROTC stands proud at this home game.

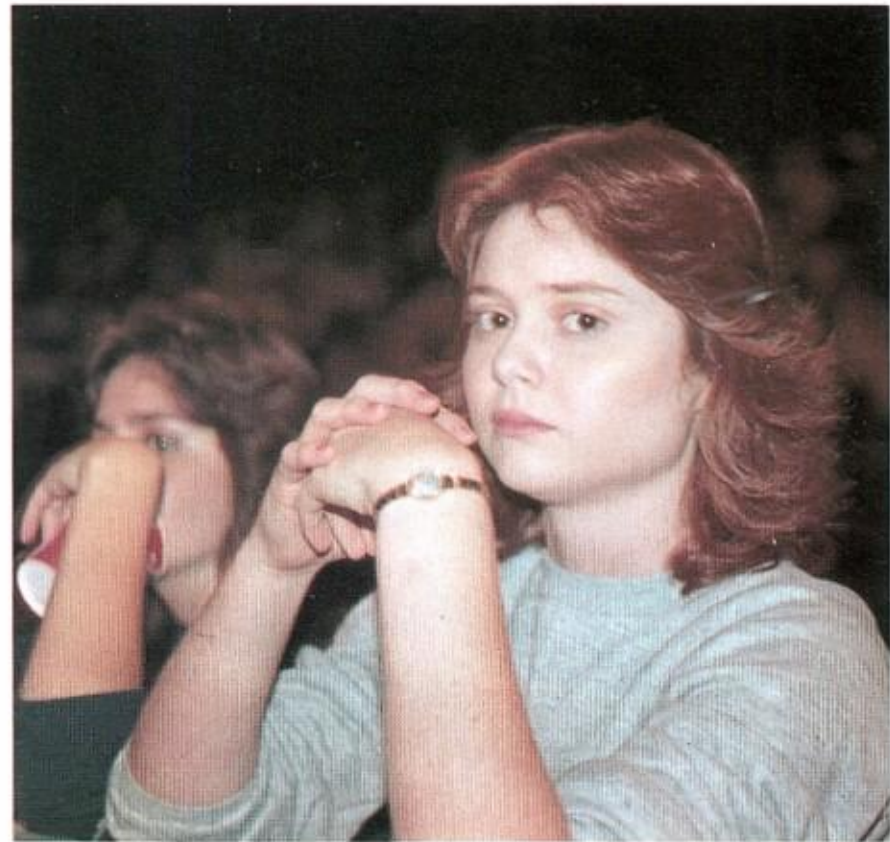

Row 3: Picture 1: Mr. Watkins, Southern's athletic director, and Mr. Allen, assistant principal, watch the game. Picture 2: Anita McKeage and Phillip Grissom pose at the 1982 Prom. Row 4: Angi George is escorted by Mike Schweitzer at the 1982 Prom. Row 5: Picture 1: Former Juniors await the ring presentation ceremony. "ARE YOU A TRUE TROJAN?"

How many Southern students are "True Trojans"? How many are just students and don't realize the Trojan is Southern's mascot? Well, for those of you who need a refresher course or would just like to know what's going on, the following True or False quiz has been compiled. Answer True or False to each of the questions listed below:

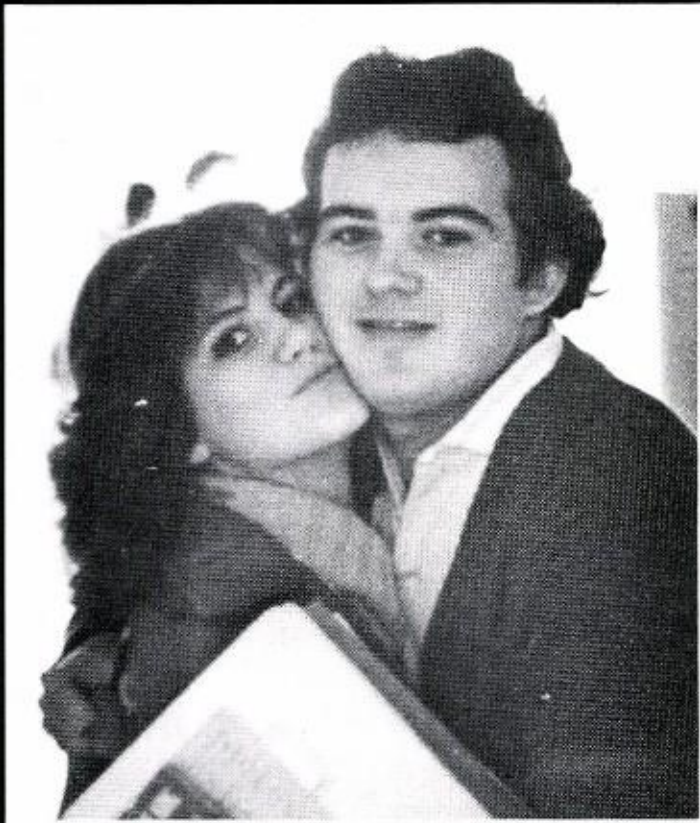

1. Trojans only wear name brand clothes, anything from Levi's to Jordache.
2. Trojans play Ms. Pac-Man, Frogger, Centipede, and Omega Race. They refuse to acknowledge Space Invaders and Asteroids.
3. Trojans are never awake during first period, they just fake it.
4. Trojans know some "Valley Talk", but don't realize that "Valley Girls" aren't from Valley High School.
5. Trojans run around the lunchroom trying to find someone who is "illegally" selling M & M's, so they won't have to eat the school lunches. (Only freshmen eat school lunches.)
6. Trojans always forget their locker combination after Christmas vacation.
7. Trojans never fail classes but barely pass them.
8. Trojans hate broccoli.
9. Trojans only go bowling with their parents.
10. Trojans wear decorated shoe strings and dress for Spirit Week.
11. Trojans only eat at McDonald's and never use the Druther's coupons they're given in homeroom.
12. Trojans only eat White Castle's way past midnight.
13. Trojans think that when a person mentions "Men At Work" they are talking about the electricians in the hall.
14. Trojans loved Star Wars and E.T., but don't understand "Gorilla At Large".
15. Trojans watch "Private Lessons" on cable.
16. Trojans go wild at pep rallies, because Southern has so few.
17. Trojans don't even know who their homeroom teacher is.
18. Trojans live off their parents and beg for a car at the end of their Freshman year.
19. Trojans carry huge duffle bags.
20. Trojans spell relief: R — E — L — I — E — F!!

If you answered True to 90% of the above, don't worry, you are a "TRUE TROJAN"!!

Due to the fact that all seniors did not have their photo taken at the same studio, there are gross differences in pose, size, and color. The annual staff realizes this makes the Senior section look less than desirable, but the only other choice was to leave several seniors' photos out of the yearbook. We voted — this one and only year, to include all senior photos although we know this will prevent The 1983 Southerner from qualifying for an award. We apologize to those seniors of 1983 who did follow the yearbook specifications and we beg the Seniors of 1984 to take heed, as this abomination will not be allowed in The Southerner again.

Seniors climb the ladder of success!!

MIKE BICKEL

In the four years I have attended high school, I have tried to be a part of as many activities as possible. Some of these include the wrestling team, Key Club, FCA, FHA, the Drama Club and a few others. My greatest thrill however, was playing for the 1982 Jefferson County Champions football team.

After graduation I plan to attend Speed Scientific School at the University of Louisville and obtain a Master's degree in electrical engineering.

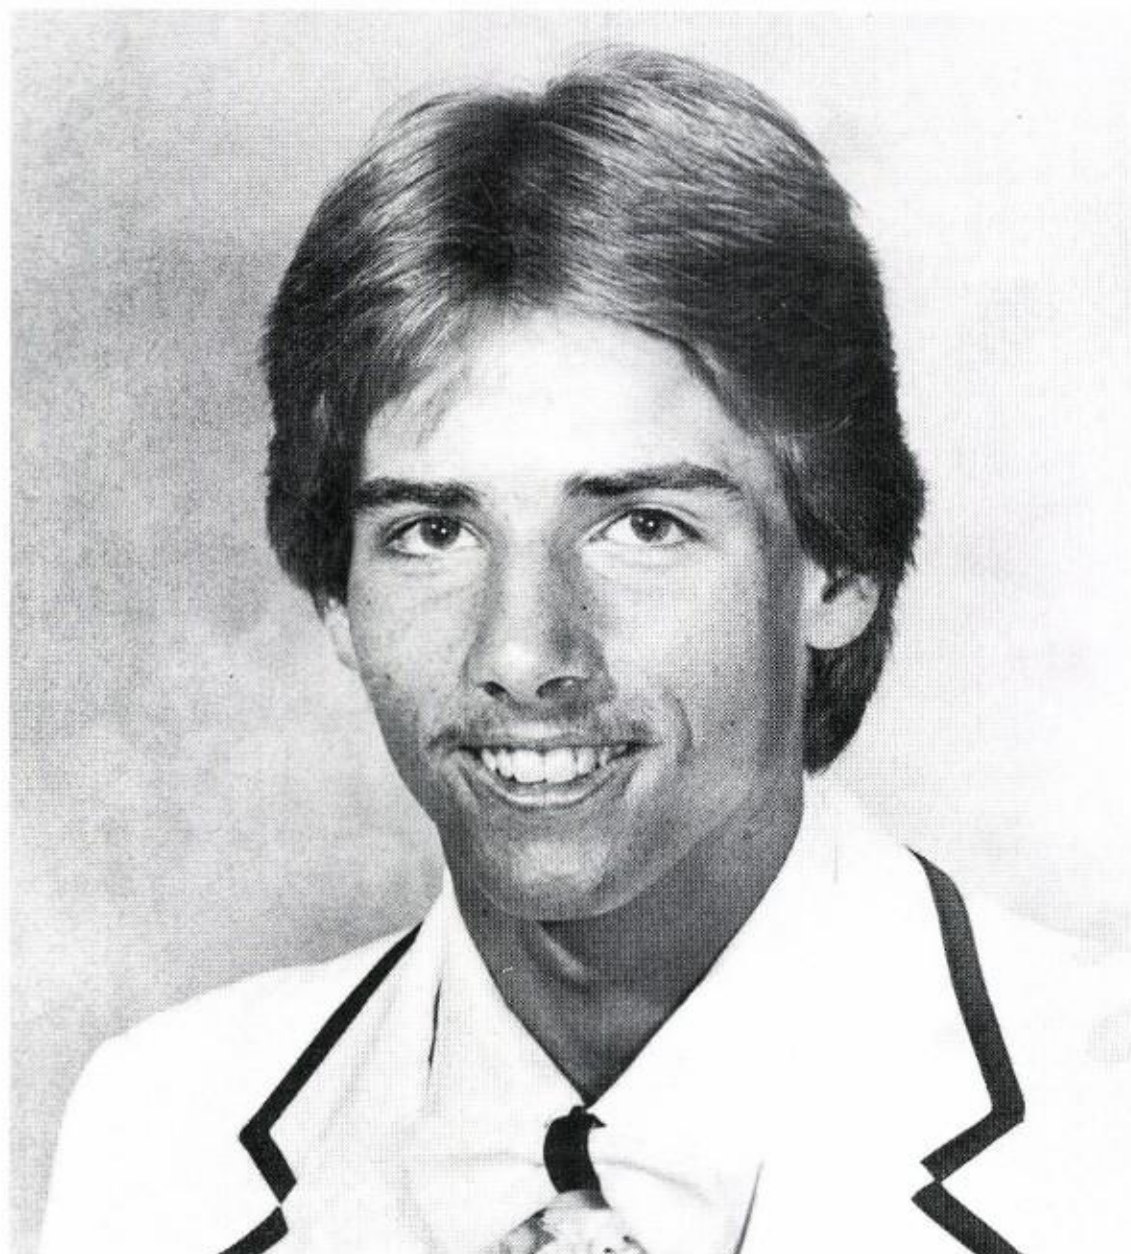

KELLEY ADAMS

As I look back at my four years at Southern, I am thankful for many things; all of the good friends I have made, the fun times and special moments I've had the pleasure to experience.

In the future, I plan to attend college and major in business. I also plan to get married, have a family and live a happy life.

SCOTT CAVE

In my years at Southern, I have learned many valuable lessons and have met many good people. I will never forget the good times that I have had here at Southern and the help I've received from so many people.

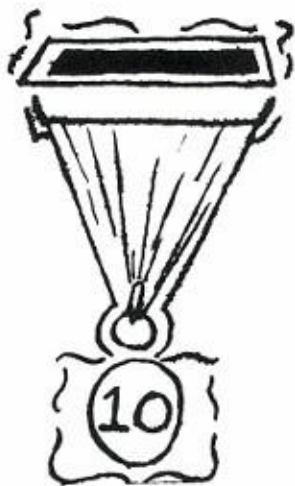

After graduation, I plan to attend the University of Kentucky and major in engineering.

JACKIE GENTRY

I have attended Southern for four years. I have been a member of the National Honor Society for two years, the Beta Club for three years and I am now serving as the Beta Club Secretary. I have also been active in F.B.L.A., the Prom Committee and both Junior and Senior Executive Councils. I have also received scholastic awards every year at Southern.

I plan to attend college in the fall and major in word processing.

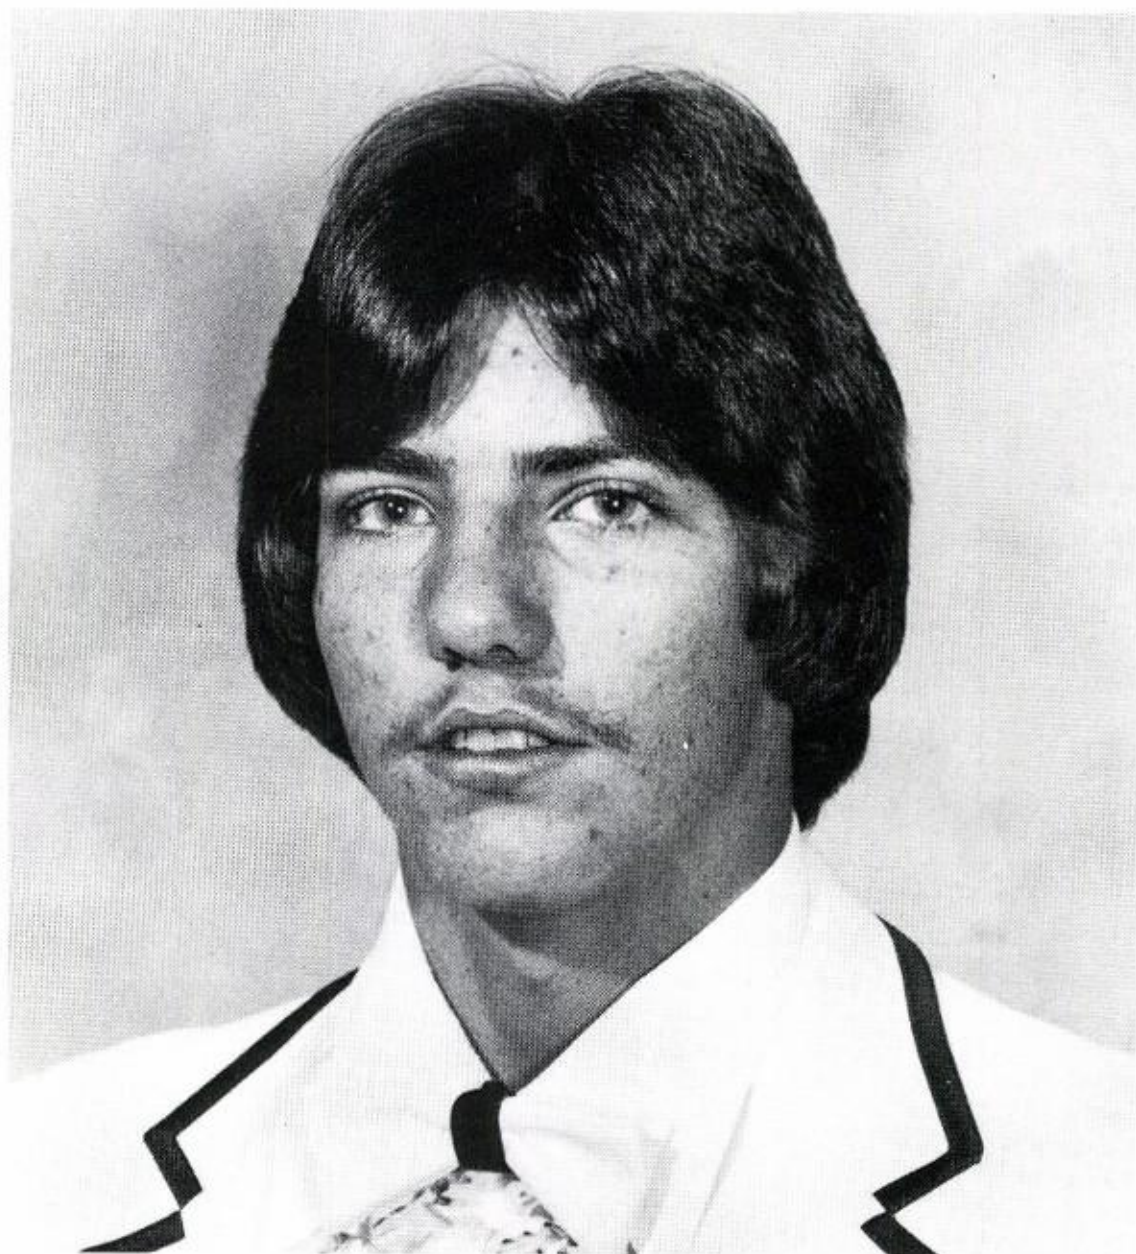

GREG MAYER

In my four years of high school I have tried to vary my activities as greatly as I could. Some of these include the wrestling team, Beta Club, FCA, FHA, Key Club and a few others. However, the best thing I have ever experienced in high school is playing football since 9th grade and having the honor for playing for the Jefferson County Champions in my senior year.

After graduation I plan to attend Speed Scientific School and obtain a Master's degree in electrical engineering.

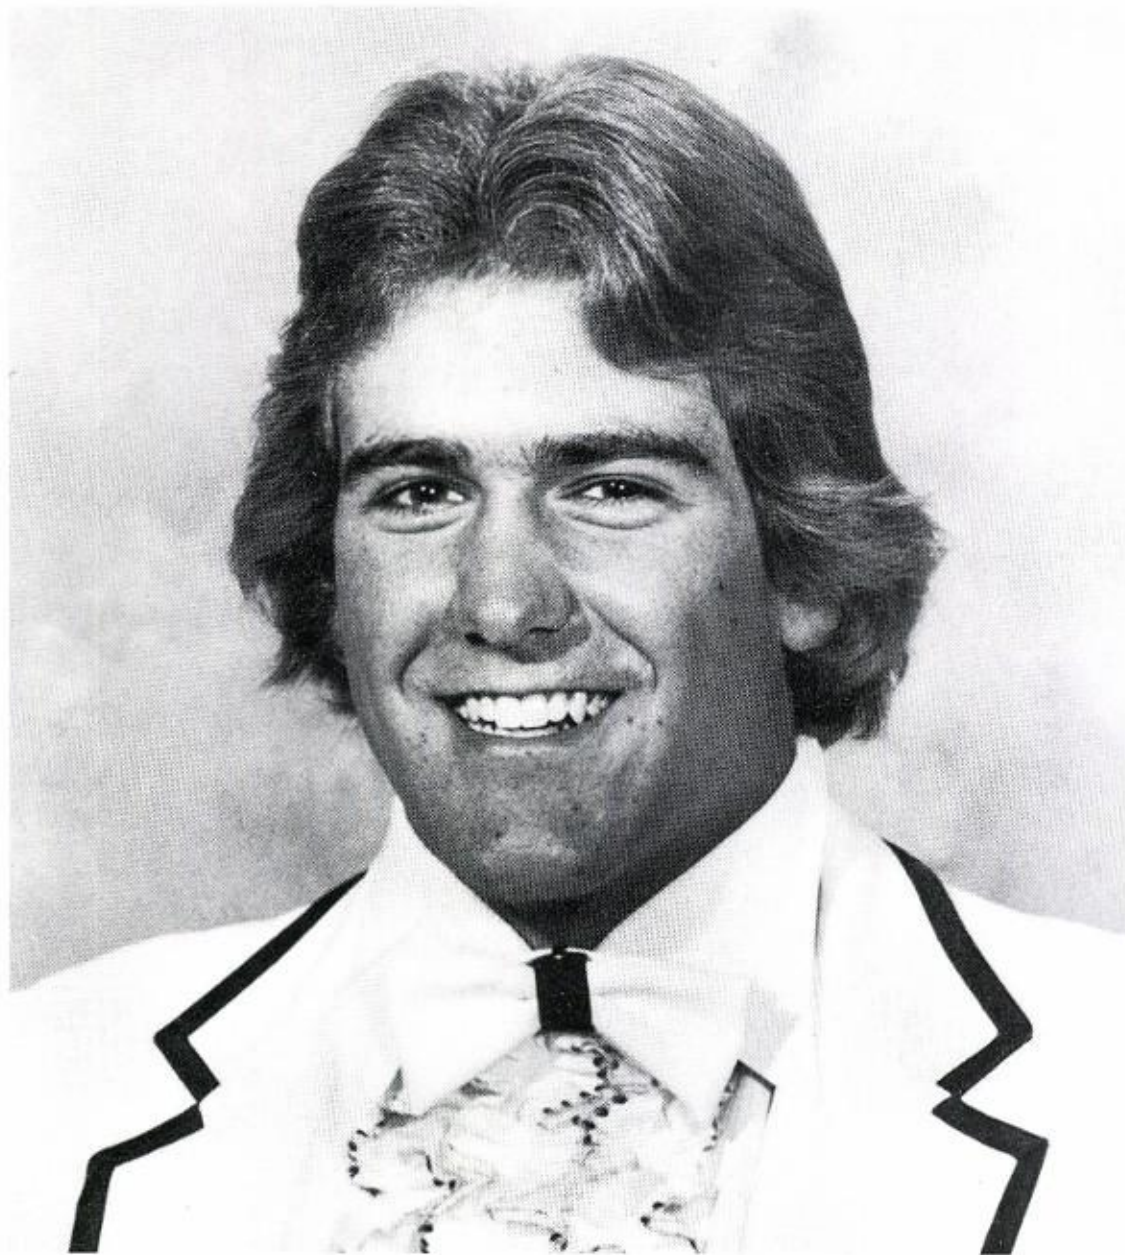

JILL HARRAL

As I look back on my years at Southern, I remember all the great times I've had with my friends and all the people I've met. I feel like my greatest accomplishment was the 1982-83 yearbook. We had rough times, but we all worked together and made it a success.

When I graduate from high school I plan to attend Jefferson Community College. I would like a career as a legal assistant. In my career I most of all want to be successful.

RONNIE THOMPSON

I have attended Southern for 3 years and have been involved in activities such as the Fellowship of Christian Athletes, F.H.A. and was elected as President of the Key Club. I'm honored to say that I was captain of the first football team to win "County Champs".

Because of leadership in Key Club I was listed in the Who's Who Among American High School Students.

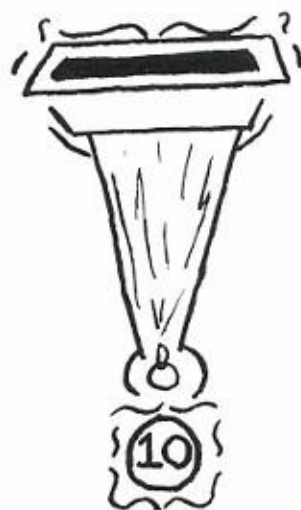

After graduation I plan to attend Eastern Kentucky University and major in Law Enforcement.

ALICIA JOHNSON

As I look back over the six years I've spent at Southern, the thing that stands out most is all of the valuable friendships I've made. I have many fond memories that I'll always cherish. As for my education, I feel Southern has prepared me well for the business world, and I'm anxiously looking forward to it.

I'd like to thank my teachers, friends and most of all my family for all the help and support they've given me.

JOHN WILDER

My accomplishments in high school vary in subjects. Scholastically, I have maintained a 3.5 grade average and received a scholastic letter last year. I have won honorable mention for scholastics in art. I played football for two years at T.J. also, I played baseball at T.J. We won "district champs" that year.

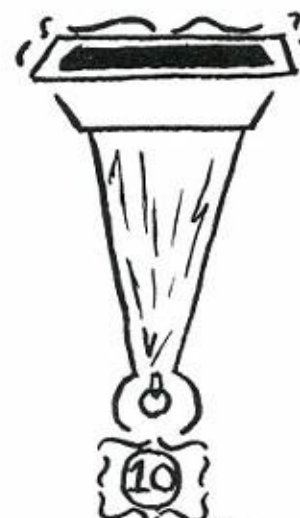

My future plans are to attend college upon graduation, in which I will major in accounting and minor in art.

DEBORAH RUSSELL

Southern has been very important to me. When I look back on my years here, I will consider being chosen as one of the Top Ten students of my class, the greatest accomplishment that I made during high school.

I plan to study accounting at the University of Louisville and then go on to become a CPA. I also hope someday to have a successful business of my own.

LEADS TO...

At Southern, the Marriage and Parenthood classes put on a "Mock Wedding." This gave students an opportunity to plan and put on a wedding. Students were able to participate in all aspects of the wedding. It helped give students a real view on what a wedding and marriage are all about.

1982-83 FOOTBALL HOMECOMING

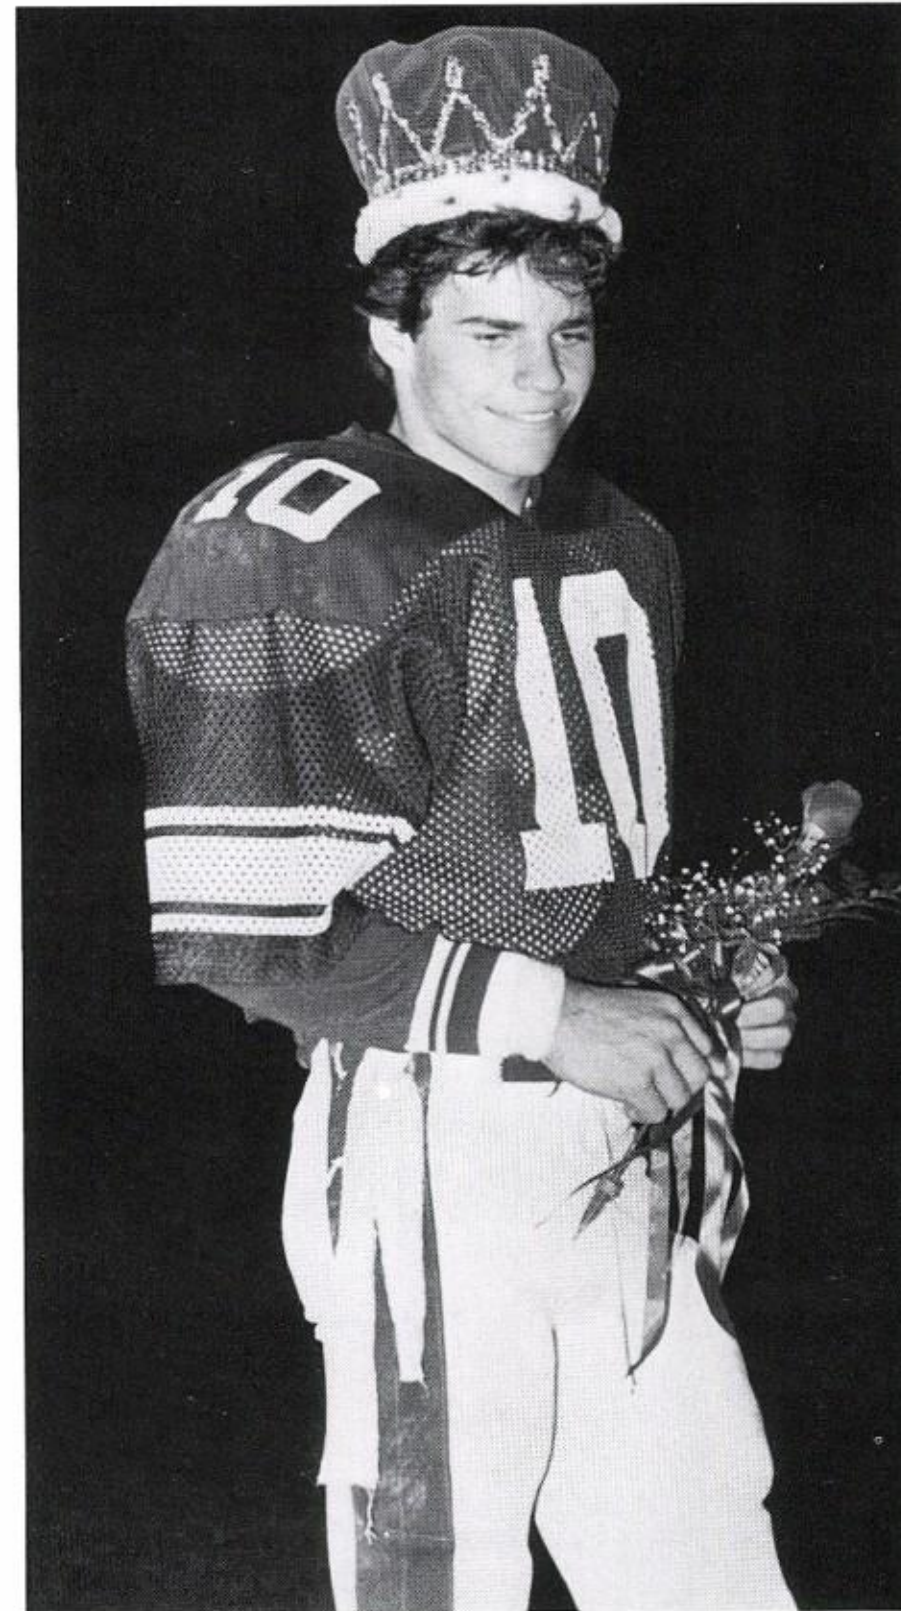

QUEEN

Lisa Lopez

KING

Tony Lanham

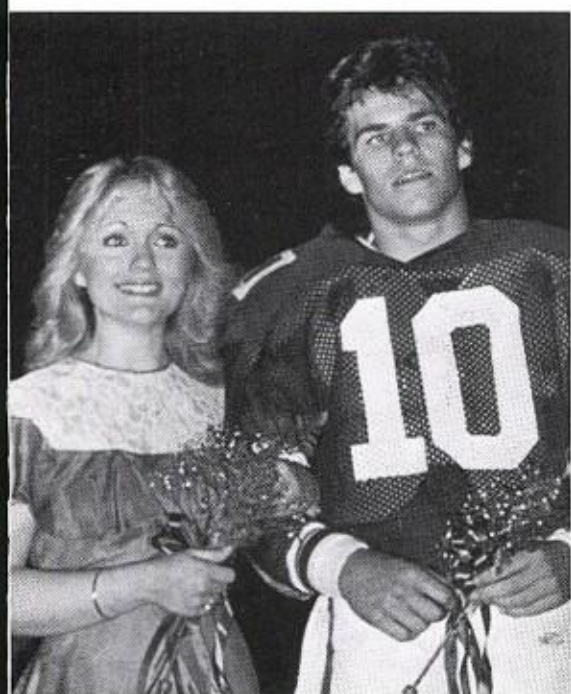

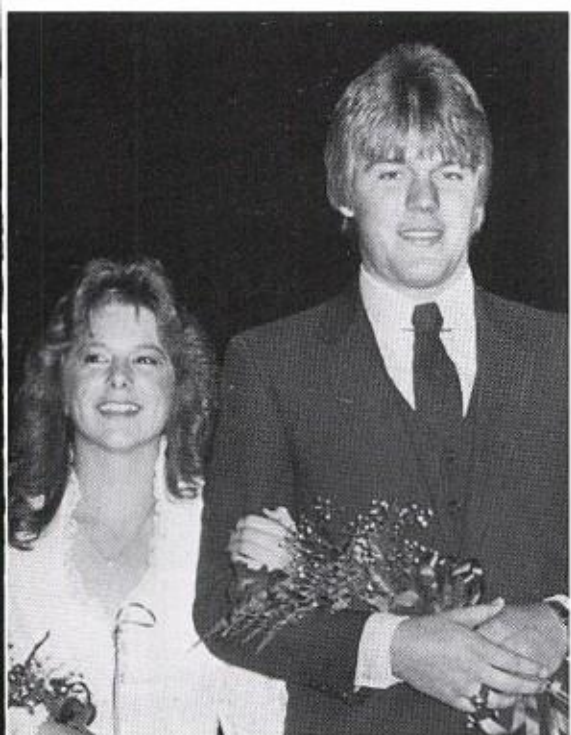

This year Southern decided to add something new to Football Homecoming. The new addition was a king. Instead of only a queen, the student body was able to vote for a queen and a king.

The candidates for queen and king were: Kim Burkhead and Shaun Ash, Jackie Painter and Jamie Jenkins, Angi George and Damian Curtsinger, Gina Lyons and Jeff Draper, Alicia Johnson and David Moore, Lisa Lopez and James Taylor, and Donna Callahan and Tony Lanham.

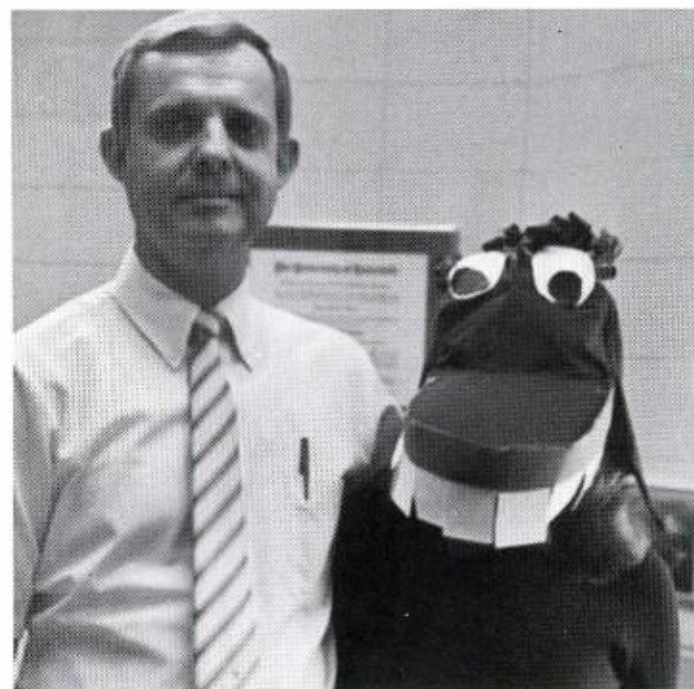

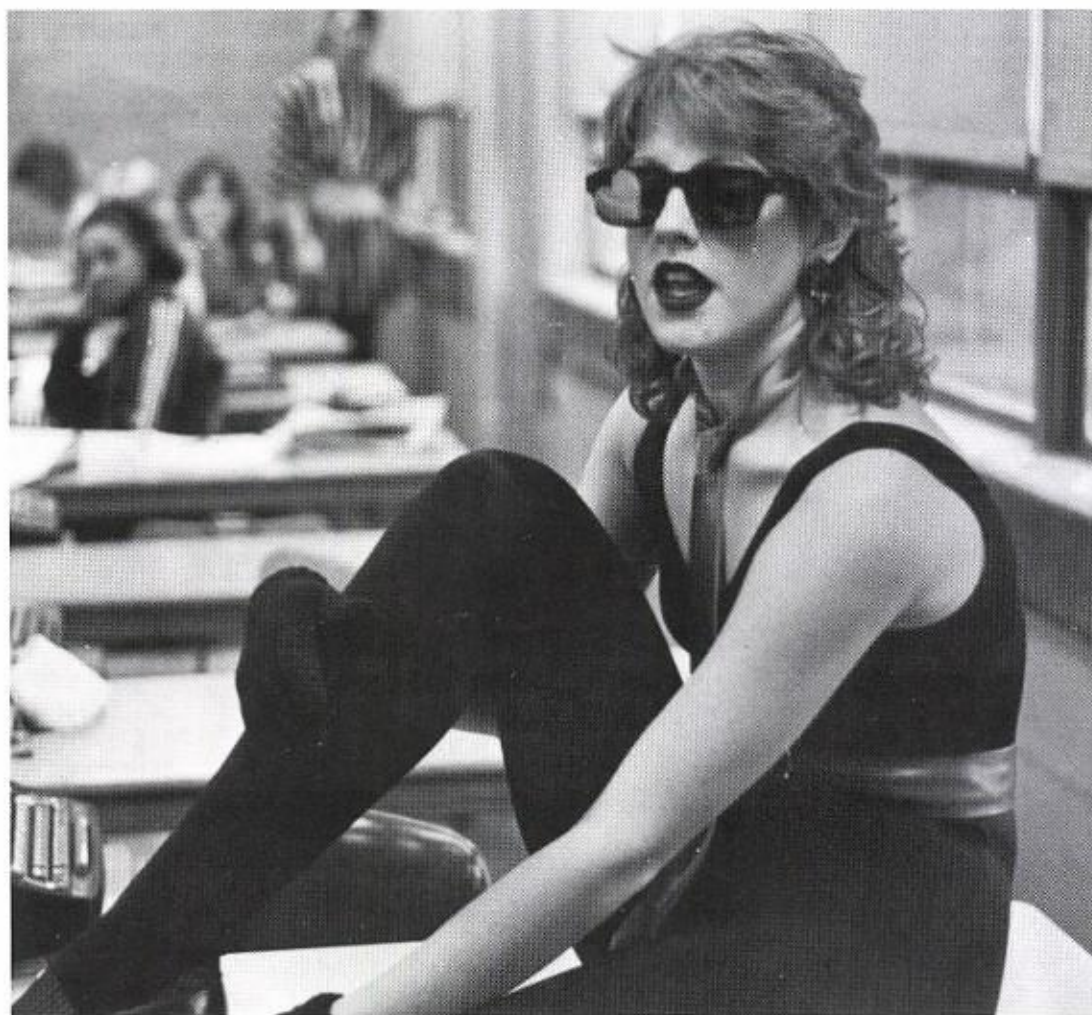

The winners were: Lisa Lopez and Tony Lanham.

PLAYING MOM AND DAD

In the Marriage and Parenthood Classes, the students had their own "babies." Their "babies" were a little different. They were egg babies. The students had to make cribs for their babies and take care of them as though they were real. This helped give the students a sense of responsibility and it taught them what it is like to really have someone to take care of.

MEMBERS OF THE TEAM

As the years went by friends became of vital importance in our lives. Our years together have been the best ever. The parties, ballgames, and cruisin' around. Just being together signifies friendship. As the years go on we will remember and cherish the friends that have made it fun.

PLAY THE "FAD" GAME

Every year there are fads that will be remembered more than others. Among the list of fads for 1983 are: E.T., Punk Rock, Mini-Skirts, Valley Lingo, Video Games, and many others. These fads reflect the mood of people in '83. No wonder students' parents worry!

PLAYING AROUND

There were many places that the students of Southern High School hung out during the year. Family Billiard and McDonalds' were the main attractions on Friday and Saturday nights. There were other places such as White Castle, Arbys', and Mr. Gattis'. The Jefferson Mall was a place during the day and on weekends to go shopping or just goof off. The students also spent their time at the Showcase Cinemas, the Vogue, McNeely Lake, and Okolona Park. The precious memories would have never been as great without the special friends.

PLAYING AT WORK

Just to show that Southern students are not all play, here are some pictures showing them at work. They have many different types of jobs ranging from a cashier to a candy seller. Keep up the good work Southerners.

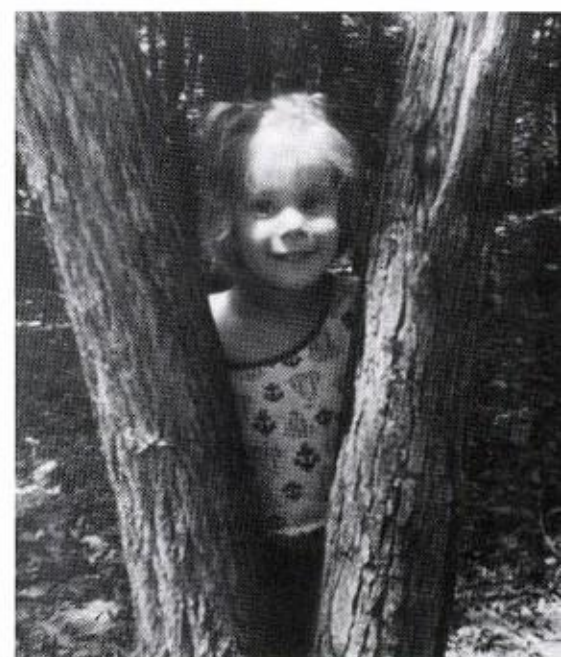

It's a Child's Game

"Yes mom, your little baby has grown up!"

Sure, it's taken us — the class of '83 — a long time to get here, but we finally made it! And the best part about making it is being able to look back and say "Ah!" or just laugh out loud.

James R. Burch

PRINCIPAL

This will be the eighth class that I have seen walk across the stage to receive diplomas and for about six of those eight years I have tried to think of something that has not been said before, something very academic, or very philosophical. I must confess that on the "stage of life" I am not able to put words together that have deep profound meaning or that will be remembered for years to come.

Therefore I must simply say farewell and best wishes for the future. Many of you I have come to know personally and have great respect for you as young adults. From the Class of '83 I'll have some of the best memories that anyone could have from a graduating class.

Cross Country is a very dedicated sport. It is probably one of the hardest sports around. It requires a lot of determination and effort. The girls ran an average of five miles a day, and the boys ran an average of five to ten miles a day. They put in a lot of hard work this season, and they should be recognized for it. Mr. Searcy, the Cross Country Coach, is a very dedicated and hard-working person. He spent a lot of time with the Cross Country Team. Both teams became Regional Champs this year.

THE GAME TO PLAY

The baseball team had a successful season this year winning 18 of the 27 games. The team played ball for their coach Ben Harrod. "Ben's his name Bennyball's our game." The team's highlight was the victory over DeSales; the score was 11-0. This is Coach Harrod's third year at Southern. With his guidance, Southern will have many more winning seasons to come.

During the 1982 softball season the Lady Trojans compiled an overall record of 21-5. In regular season play the Trojans were co-winners of District Two after winning the district the previous year. Southern won the Valley Classic Invitational Tournament. The Jefferson County Softball Tournament was held late in May for all district winners and runners-up. In this county wide tournament, Southern placed third, behind Mercy and Holy Rosary. The Lady Trojans had an outstanding year, and even though eight girls were lost through graduation, the 1983 season looks to be very promising. The '83 season was the first year softball was sanctioned by the KHSAA; so everyone will be working hard toward going to the state tournament. Three players from the 1982 Trojan team: Peggy Medley, Daina Selter and Pam Tanner were selected to be on the All-District team.

The 1982 Southern football team was the most successful in the school's 36 year history. The '82 fighting Trojans captured the 2nd District Crown and proceeded to win the 4A County Championship. The offensive and defensive units were tops in Jefferson County. The offense led the County in points scored per game and the defense held its opponents to fewer than 11 points per game.

Although many individuals were outstanding, success was achieved through dedication, hard work, and team effort. The students, faculty and community appreciate the legacy of leadership and achievement left by the 1982 Champs.

Danny Hass has been the Student trainer for three years. During this time he attended many clinics and spent many hours of practice to become one of the finest trainers in the region. The student athletes at Southern owe a great deal to Danny for his dedication and service. Many of our teams' successes may be traced to Danny's ability to diagnose injuries and skillfully attend them. This ability has won Danny a full scholarship to U of L.

Southern has more than just academic achievers. Over the years Southern players have given their utmost to put their school in the number one position above other schools. Recently the football team won the Jefferson County 4A Championship and State runner-up position. The boys and girls track teams won the regional, the boys and girls basketball teams have done well this season, and the cheerleaders received consecutive blue ribbons at camp; just to mention a few.

We're #1 and we're glad.

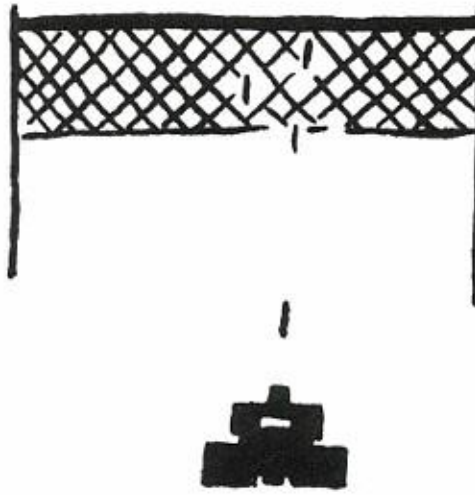

The Southern volleyball team had a very successful 1982 season. This year's team was comprised of two seniors, five juniors, and five sophomores. For the second straight year, Southern was District champ, going undefeated in the Second District. The Trojan's overall record, including tournaments and post season play was 25-9.

Adding to their credits this year was the championship of the Doss Invitational Tournament. In post season play, Southern advanced in the Regional Tournament before losing to the eventual Regional winner, Mercy Academy. Southern placed third in the Regionals out of a field of twelve teams.

Southern expects to keep its winning tradition, returning ten of its twelve players, but regrets losing two fine young ladies, Cheryl Masters and Mary Vetter, due to graduation.

The perfect serve.

The J.V. Volleyball team had an up and down season this fall. After winning the initial 4 games, 5 were lost in a row. Although very discouraged, the team continued to work hard at practice. Their efforts were rewarded by winning the last four games of the season.

Veteran players Glenda Mathewson, Beth Ahonen and Chrissy Vetter contributed to the comeback with excellent game player and consistent serving.

Freshman standouts include Lori Mathewson, Amy Dillman, Karen Heavrin, and Gina Silliman.

The final record 8 wins 5 losses

Walk this way.

The Southern Girls Basketball Team has worked hard at getting into shape this season. They started with preseason conditioning and have continued on into the season. They have won 16 of their first 19 games and have participated in two tournaments. They were runners-up in the Capital City Classic and won one game in the Louisville Invitational Tournament. Their preseason goals were to improve as the season progressed, win twenty games, win the District and Regional tournaments and to advance to the State tournament. Brenda Hamby was ranked as the 14th best player in the state in the preseason ranking and should make the All-State and Kentucky All-Star teams. Pam Tanner, Kim Bynum and Katie Lokits all have good chances of making the All-Region teams.

This year's girls Junior Varsity Basketball team was made up of eight freshman and one sophomore. We were a young and inexperienced team who had to play against many J.V. teams that played starting Varsity players. I believe this helped our team out a lot by giving them experience against better players. All of the girls showed some improvement throughout the season. Some of the girls who improved most were: Roni Beavin, Eva Bonnafon, Stephanie Bagby, Wendy Roberts, Terri Stump and Paula Williams. There are a few upcoming hopefuls that will possibly see some Varsity court time and these are: Vickie Gividen, Kim Marti and Jennifer Graves.

The 1982-83 boys varsity basketball team entered the season with very high goals. A lot of hard work and enthusiasm helped prepare the Trojans for a very difficult early season schedule. The boys made a trip out of state to Centralia, Illinois for one of the biggest Holiday tournaments in the country — the Centralia Holiday Tournament. While losing in 3 overtimes the Trojans impressed the Illinois fans a great deal. While being outmaneuvered in many games the Trojans were close in almost every game, played extremely hard and gave themselves and the fans something to be proud of.

The Varsity Cheerleaders have contributed a great deal of time and energy to promote school spirit at Southern High. They started shortly after try-outs in May with their cake booth at a spring fund raising fair. Other fund raisers followed through out the year. Most students relaxed in the summer, but the cheerleaders met three times a week, every week, for practice. They lifted weights, ran, and did aerobic exercises to prepare for the grueling season ahead. They also worked to perfect their cheers, and their efforts were rewarded when they received blue ribbons at each evaluation in summer camp.

To anyone who wants to be a varsity cheerleader, remember the long hours, long season and hard work. Don't expect appreciation or praise for your efforts. Do expect to represent your school in the best way you know how, and a sense of satisfaction for a job well done.

As the year came to an end, many memories had been created. It proved to be a great year in academics and in athletics. Sure, there were fun times, but we also had our serious moments, too. Once again, everyone came together and played the game with **Southern Style.**
